

Principles of Bioinformatics

MBI/BOT/ZOO 485/585

- Are there Neanderthals among us?
- Where do pandemic viruses come from?
- How are internal clocks used?
- What are the genomics of wine-making?
- And how can I answer all these questions using my laptop?

Spring 2010; 3 credits

Evaluation based on practicals and a final project

Dr. Iddo Friedberg i.friedberg@muohio.edu
