The Official Newsletter
of the Microbiology Club

Issue 1 Volume MMV

September 1, 2005

Editor: Tara Eagle

What is Micro Club?

A group of people, the majority of which are microbiology, zoology, and clinical lab science majors, that have a common i n t e r - est...microbiology!! All majors welcome!!

Club Dues

Dues this year are \$35 and include: \$8 micro club membership, \$10 t-shirt, and \$17 membership to ASM's Ohio Chapter.

Be sure to bring your dues to the first meeting so that we can get the t-shirts ordered right away!!!

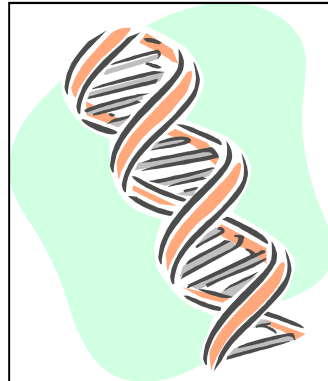

What do we do?

We take trips to graduate and medical schools, trips to brewing companies, P&G and Eli Lilly. We have service opportunities such as blood and food drives, and teaching 4th graders about microbiology at Marshall Elementary. We bring speakers to campus in the various microbial specialties. We have monthly meetings. We have social nights where we hang out with faculty and grad students and even speakers during Happy Hour uptown (all ages welcome). We also have movie nights and cookouts. And this year we'll have a broomball team!!

I'm interested... when's the first meeting?

The first microbiology club meeting will be held on Thursday, September 8, 2005 at 6pm in 112 Pearson.

There will be a microbiology department picnic at Pfeffer Park on September 29 from 5-7. This is a great opportunity to meet other micro majors, meet your T.A.s and some of your professors!!!

MICROBIOLOGY CLUB EXECUTIVE BOARD

Co-Presidents

Tara Eagle (eaglet@muohio.edu)

Adam Welch (welchac@muohio.edu)

Treasurer

Adrienne Davis (davisae1@muohio.edu)

Secretary

Lauren Land (landle@muohio.edu)

Fundraising and Service Chair

Loren Brungarth (brungalm@muohio.edu)

Webmaster and Publicity Chair

Scott Cygan (cygansa@muohio.edu)
